

## 2B. Computer Components Flowchart

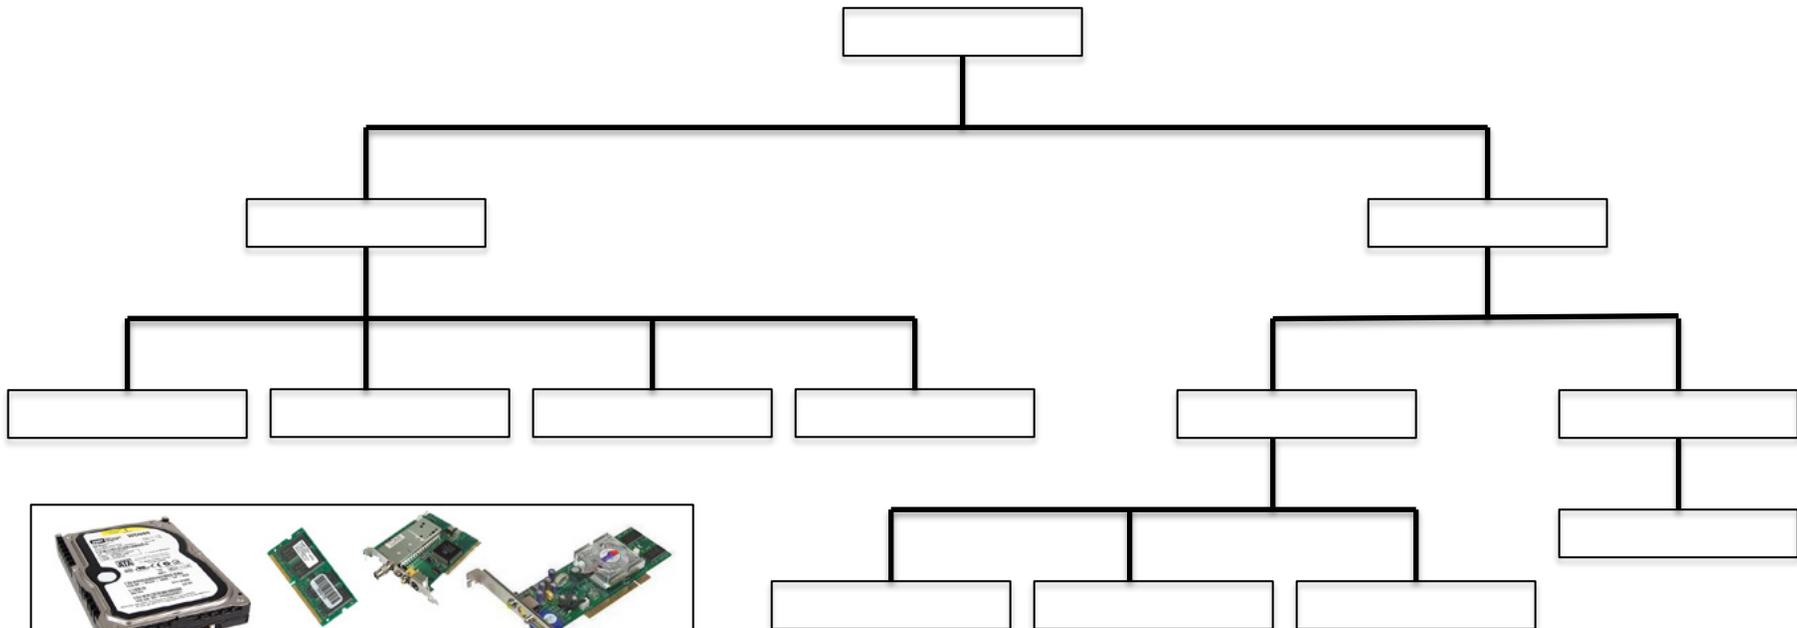

### Part 1: Flow Chart! (14 pts.)

Look at the definitions you wrote for each of the terms below and place them accurately into the tree diagram (26pts.).

Hardware  
RAM  
Applications  
Mother Board  
Software

Hard Drive  
Microsoft Windows  
Processor  
M.S. Word  
M.S. Excel

M.S. Power Point  
Operating System  
Computer

## Example Flowchart

Here is an example of how a flowchart is organized. I hope this helps you understand how you need to organize the computer components.

Fruit  
Limes  
Apples

Meyers  
Fuji  
Pippin

Red Delicious  
Lemon  
Citrus
