

Resort Website - Grade Sheet

(100 pts.)

You get to build a website for your own personal 5 star resort. Be extravagant and have fun. I recommend you spend a moment viewing the websites of high-end resorts from around the world to see how their websites are organized. The grade sheet below is only holding you accountable for skills you have already learned, so it is imperative that you first build and complete a website utilizing the skills you have been taught! At that time, if there is more time, you are welcome to research and add other code.
